

## RESEARCHER PROFILE

Everyone registered in IRISS will have their own profile page where you can see which HREBA Committee(s) you are associated with and what roles you hold in IRISS. You can also link to the studies you are involved in, update your contact information or add/update the documents on your profile (i.e. CV, TCPS2 Core Tutorial Certificate, CPSA Medical Practice Permit).

- To view your profile page, click on **Researcher Profile** on the dark blue bar at the top of the page.

- Click on your profile link under the **Name** column to open your profile.

- On your main profile, you can view:
  - Which HREBA Committee(s) you are associated with.
  - What roles you have in IRISS.
  - Click on the link to view the document(s) you have attached to your profile.
  - Shows the studies you are involved with. Click on the study name or study icon to open the study workspace.
  - Click here to Edit your profile information.
