

MANAGE MY FUNDING

The Principal Investigator is responsible for the accuracy of funding information within an application. “Manage My Funding” is found under “My Activities” in your study workspace:

Note:

1. This functionality is available only when the study is in an "Approved" state.
2. This activity is available to the PI and Study Coordinators, Research Nurse or Research Assistant.
3. If you need to update your application with a new funding source, the PI must submit a formal modification.

FUNDING PAGE

1. Select/Update whether the research is funded or unfunded.

Unfunded - Funding not required, using personal funds, etc.

Funded - Grant, sub grant, industry sponsored, contract, internal funds, donation or some other source of funding.

1.0

* Proposed research is:

☐ Unfunded

☒ Funded

[Clear](#)

2. If you selected Funded in Question 1.0 above, select/change the type of funding:

2.0 * Type of Funding: (select all that apply)

- ☐ Grant (external) / Not for profit / industry grant
- ☐ Contract (e.g. Industry sponsored / for-profit organization)
- ☐ Internal Funds (e.g. start-up funds, operational)
- ☐ Service Agreement (Funder pays for specific services, e.g., animal testing)
- ☐ Cooperative Groups
- ☐ Donation
- ☐ Scholarships
- ☐ Studentship Award (e.g. PURE)
- ☐ Other

If Other is selected – specify funding source in Question 2.1

3. Provide the funding agency details (ID, Title, Sponsor) and the award status.

Click **Add** to enter a new Funding Source or **Update** to edit the current funding source in the pop-up box.

3.0 * Funding Agency/Sponsor:

+ Add

Funding ID	Title	Agency / Sponsor
Update	Test 2	Alberta / Health

4.0 * Indicate which office administers the funding:

- ☐ University of Calgary – Research Services
- ☐ University of Calgary – Legal, Research & Ethics
- ☒ Alberta Health Services
- ☐ Covenant Health
- ☐ University of Alberta – Research Services
- ☐ Other

Edit FundingGrants_ManualEntry

1.0 Funding ID:

2.0 * Funding Project Title:

3.0 * Agency/Sponsor:

Alberta / Health ... ✕

*** 3.1 - Unlisted Agency/Sponsor (if not found above):**

4.0 Funding Award Status:

☐ Pending

☒ Awarded / Confirmed

* Required

OK
OK and Add Another
Cancel

4. If required, add/update the office that administer the funding:

4.0

* Indicate which office administers the funding:

☐ University of Calgary – Research Services Office (RSO)

☐ University of Calgary – Legal, Research Services, Cumming School of Medicine (CSM Legal)

☐ Alberta Health Services

☐ Covenant Health

☐ University of Alberta – Research Services Office (RSO)

☐ Other

If Other is selected – specify funding source in Question 4.1

5. Select/Update the sponsor of the study.

Health Canada	– Involved with any project involving a drug, device, biologic, vaccine, natural health product, and radiopharmaceutical.
US FDA or DHHS	– Involved with any project involving funding sites participants, sponsor and/or drug/device from the US.
EMA	– Involved with any project involving funding sites participants sponsor and/or drug/device from the European Union.

* Indicate if this research is sponsored or monitored by any of the following: *(select all that apply)*

☐ Health Canada

☐ Canadian Food Inspection Agency (CFIA)

☐ United States Food and Drug Administration (US FDA)

☐ United States Department of Health and Human Services (US DHHS - NIH, NCI, OHRP)

☐ United States Department of Defense

☐ United States Office of Laboratory Animal Welfare (OLAW)

☐ European Medicines Agency (EMA)

☐ Not Applicable

Once completed, Click OK in the bottom right-hand corner of the screen
